

The Audi A4

The Audi A4.

The pulse of progress.

With innovation at the heart of the Audi brand, the Audi A4 truly is the pulse of progress – utilising the very latest technologies to deliver outstanding performance and stunning design highlights inside and out.

A choice of Audi TFSI® direct-injection petrol and Audi TDI® diesel engines deliver benchmark fuel consumption and power, while the optional quattro® permanent all-wheel drive provides extraordinary control and driving dynamics.

The interior of the Audi A4 is equally progressive, featuring contemporary finishes, premium quality materials and leading-edge technologies – like the MMI® infotainment system, with a high-quality 7-inch colour display, intuitive controls and 20GB of music storage.

For those always looking to stay ahead in an ever-changing world, the Audi A4 is the model of progressiveness – and the embodiment of Vorsprung durch Technik.

● = Standard equipment * = Optional equipment, Manufacturer's List Price shown – = Not available NCO = No cost option

*Individual Manufacturer's List Prices (MLP) of the factory fitted options quoted on this specification sheet separately include LCT. If the total price for the vehicle (excluding statutory charges) is below the LCT threshold then LCT is not applicable & the price of factory fitted options will need to be recalculated excluding LCT. Please enquire at your authorised Audi dealer for further details. This is a manufacturer's specification sheet and new vehicles must be purchased from authorised Audi dealers. Specifications are as planned from June 2012 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Ltd, in so far as it is permitted by law to do so, shall not be liable in anyway as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and prices. For individual prices please contact your local authorised Audi dealer.

1. Fuel consumption figures according to Australian Design Rules (AD) 81/02. The driving style, road and traffic conditions, environmental influences and vehicles condition can in practice lead to consumption figures which may differ from those calculated with these standards.

2. Audi music interface connector cable must be purchased separately through Audi Genuine Accessories.

An Audi A4 2.0 TFSI quattro S tronic is pictured with optional metallic paint and Audi side assist. An overseas model is shown.
