

The Audi RS 5 Coupé

Audi RS 5 Coupé.

A Coupé that's just as it should be, only faster.

Under the breathtaking exterior of the Audi RS 5 beats the heart of a high-performance athlete. The 4.2 litre V8 FSI engine provides the new RS 5 with 331kW of power, propelling it from 0 to 100 km/h in just 4.6 seconds. With this powerhouse, the vehicle reaches its top speed of 250km/h* effortlessly. The latest generation of quattro® technology and a 7-speed S tronic transmission ensure that every moment between 0km/h and 250km/h is an enthusiastic and dynamic experience.

The interior is a successful interface between car and driver. High quality materials, clean design and superior workmanship create an exclusive overall look to match your individual driving style.

Speed is a challenge. To combine speed and beauty is an art: the new RS 5.

NCO = No Cost option

*Individual Manufacturer's List Prices (MLP) of the factory fitted options quoted on this specification sheet separately include LCT. If the total price for the displayed vehicle (excluding statutory charges) is below the LCT threshold then LCT is not applicable & the price of factory fitted options will need to be recalculated excluding LCT. Please enquire at your authorised Audi dealer for further details. This is a manufacturer's specification sheet and new vehicles must be purchased from authorised Audi dealers. Specifications are as planned from September 2010 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Ltd, in so far as it is permitted by law to do so, shall not be liable in anyway as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and prices. For individual prices please contact your local authorised Audi dealer.

*Fuel consumption figures according to Australian Design Rules (ADR) 81/02. The driving style, road and traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.

**Audi Music Interface connector cable must be purchased separately through Audi Genuine Accessories.

***It is not possible to install a phone cradle adapter as this is a Bluetooth connection only. Please check with your Audi dealer approved Bluetooth telephones that have been tested by Audi for compatibility
