The Audi S5 Sportback

The new Audi S5 Sportback.

Unmistakably athletic.

The new Audi S5 Sportback combines an emotionally-charged and progressive vehicle with high levels of everyday practicality and sports-car performance.

Complemented by design that incorporates S specific highlights for an even more athletic flair, the efficient V6 supercharged FSI® engine forms the foundation of a phenomenal driving experience with its cutting-edge engine technology. Combined with a 7-speed S tronic dual-clutch transmission that provides seamless gear changes, quattro® permanent all wheel drive and numerous S specific features reinforce the sporting credentials of the Audi S5 Sportback.

The Audi S5 Sportback interior completes the model's sporty attributes in characteristically striking details. The use of colours and materials are unmistakable hallmarks of an S model cockpit.

The new Audi S5 Sportback is a thrilling sports car experience that offers the highest level of sensational driving dynamics, comfort and space for four people.

• = Standard equipment *** = Optional equipment, Manufacturer's List Price shown**

*Individual Manufacturer's List Prices (MLP) of the factory fitted options quoted on this specification sheet separately include LCT. If the total price for the displayed vehicle (excluding statutory charges) is below the LCT threshold then LCT is not applicable & the price of factory fitted options will need to be recalculated excluding LCT. Please enquire at your authorised Audi dealer for further details. This is a manufacturer's specification sheet and new vehicles must be purchased from authorised Audi dealers. Specifications are as planned from May 2010 and are subject to change without notice or obligation. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Audi Australia Pty Ltd, in so far as it is permitted by law to do so, shall not be liable in anyway as a result of any reliance by any person on anything contained in this specification sheet. Authorised Audi dealers will provide up-to-date information on model specifications and prices. For individual prices please contact your local authorised Audi dealer.

#Fuel consumption figures according to Australian Design Rules (ADR) 81/02. The driving style, road and traffic conditions, environmental influences and vehicle condition can in practice lead to consumption figures which may differ from those calculated with these standards.

##Audi Music Interface connector cable must be purchased separately through Audi Genuine Accessories.

###It is not possible to install a phone cradle adapter as this is a Bluetooth connection only. Please check with your Audi dealer approved Bluetooth telephones that have been tested by Audi for compatibility.
