SPECIFICATION GUIDE.

BMW EfficientDynamics

Less consumption. More driving pleasure.

This specification guide is for business use only and must not be distributed to customers.

MODELS.

Model code	MRLP* excl. GST excl. LCT	MRLP* incl. GST incl. LCT	Transmission	Cylinder / Capacity cm ³	Power / Torque	Combined fuel consumption l/100km	Acceleration 0-100km/h	
Petrol Models								
640i	6A02	\$141,636	\$184,800	8-speed sport automatic	6-cylinder 2,979	235 kW 450 Nm	7.8 – 7.9	5.4 sec

BMW recommends the use of RON 95 super unleaded petrol. Unleaded 91 RON and higher with a maximum ethanol content of 10% (E10) may also be used. Output and fuel consumption figures apply to RON98 fuel. All engines meet the EU5 emissions standard. Fuel consumption is determined in accordance with the ECE driving cycle (93/116/EU), which consists of approximately one third urban traffic and two thirds extra-urban driving (based on the distance covered). CO₂ emissions are measured in addition to fuel consumption. Optional equipment (e.g. wider tyres) can have a significant impact on fuel consumption.

■ Standard

While BMW Group Australia has endeavoured to ensure that all information, representations, illustrations, specifications and prices contained in these materials are accurate at the time of publication (4 July 2012) and applicable for vehicles manufactured from July 2012, the information is general in nature only. Product features, specifications, models and prices are subject to change without notice. The general information in these materials should always be read in conjunction with other specific materials and information available from BMW Group Australia.

* Prices shown are manufacturer's recommended list prices (MRLP) only and exclude dealer charges, stamp duty, statutory charges and on-road charges. There is no obligation to comply with the manufacturer's recommended list prices. Optional equipment prices are based on factory fitment. Prices may be subject to rounding. Luxury Car Tax (LCT) applies where the total sales prices (excluding stamp duty, statutory charges and on-road charges only) is above the LCT threshold. The LCT threshold is \$59,133 for all models except those which are fuel efficient vehicles achieving a fuel consumption not exceeding 7 litres per 100 kilometres (based upon a combined rating under ADR 81/02) which qualify for an LCT threshold of \$75,375.

This specification guide is for business use only and must not be distributed to customers.

STANDARD EQUIPMENT.

640i

Transmission and technology	
8-speed sport automatic transmission with Steptronic , incl. gearshift paddles on steering wheel	■
Aluminium integral rear axle	■
Auto Start/Stop function , reduces fuel consumption by switching off the engine when the vehicle comes temporarily to a stop	■
BMW TwinPower Turbo 6-cylinder in-line petrol engine , combines one twin-scroll turbocharger with Valvetronic, Double-VANOS and High Precision Injection	■
Brake Energy Regeneration , improves fuel efficiency and ensures that the full power of the engine is available for acceleration	■
Brake-pad wear indicator	■
Condition Based Service , inspections are scheduled to suit the way in which the car is driven	■
Double-wishbone front suspension	■
Driving Experience Control , enables individual adjustment of drivetrain and suspension components (Comfort, Sport and Sport+)	■
Electric power steering with Servotronic	■
ECO PRO Mode , optimises fuel consumption and shows the potential fuel economy in the instrument cluster	■
Parking brake , electromechanical incl. automatic hold function	■
Start/Stop button , incl. keyless ignition	■

Safety	
Active headrests , front, automatic triggering of the headrests in the event of a crash, to reduce whiplash	■
Airbags : driver and front passenger airbags, seat occupancy detector for front passenger airbag; head airbags in the front and rear; side airbags for driver and front passenger	■
Brakes : disc brakes at the front and rear, inner-vented	■
Central locking with electronic immobiliser; crash sensor; fuel tank filler cap integrated with central locking; remote control	■
Dynamic Braking Lights , flashing brake lights and hazard indicator under extreme braking	■
Dynamic Stability Control (DSC) incl. Anti-lock Braking System (ABS), Cornering Brake Control (CBC), Dynamic Traction Control (DTC), and Brake Assist	■
Safety body shell : bumper system with deformation zones at the front and rear, easily-replaceable deformation elements capable of absorbing impacts at speeds up to 15km/h; side impact protection, active bonnet	■
Seat belts : 3-point seat belts in all seats, incl. belt stopper, pyrotechnic belt tensioner and belt force limiter in front	■
Warning triangle and first aid kit	■

STANDARD EQUIPMENT.

640i

Wheels and tyres

BMW light-alloy wheels, V-spoke styling 366, front 8.5 J x 19" with 245/40 R19, rear 9 J x 19" rear 275/35 R19 run-flat safety tyres. Snow chains cannot be fitted

Locking wheel bolts

Run-flat safety tyres incl. run-flat indicator

Driver assistance

Cruise Control with braking function

Head-Up Display, full colour

Park Distance Control (PDC), front and rear

Rear View Camera

Speed Limit Device, enables setting of desired maximum speed

Climate comfort and glazing

Automatic air conditioning with 4-zone control, fully automatic temperature control with temperature stratification and air volume control. Controlled by means of separate displays for driver/passenger and rear passengers. Residual heat utilisation. Including Automatic Air Recirculation (AUC), solar sensor and fogging sensor.

Glass sunroof, electric

Heat/sun protection glazing

Light and sight

Adaptive LED Headlights, for high and low beam, featuring LED-based turn indicators

Ambient light incl. vicinity lighting

3rd Brake Light, integrated in the roof across the entire width of the rear window

Exterior mirrors, aspheric, electrically adjustable, heated, incl. folding function

Fog lights front and rear, LED

High-Beam Assist, automatically switches between high and low beam

Interior and exterior mirrors with automatic anti-dazzle function

Rain sensor, incl. headlight activation and fogging sensor

GENUINE BMW SERVICE.

When you buy a BMW, you can look forward to superb service and comprehensive customer care, with a network of dealerships Australia-wide ready to assist you at any time.

Your car informs you of its service requirements via the Condition Based Servicing system. Then simply get in touch with your preferred BMW Dealer who will provide expert care for you and your car. Staffed by highly trained personnel, your BMW Dealership is equipped with the latest computer-aided information and diagnostic tools. Important data such as the chassis number, mileage and current service requirements are all stored on your car key, ensuring quick assessment of your vehicle's status. Naturally, your preferred BMW Dealer also has a comprehensive stock of Genuine BMW Parts for any eventuality.

All in all, quality and safety are the essence of BMW Service. Find out more at bmw.com.au/service

BMW ROADSIDE ASSISTANCE & ACCIDENT MANAGEMENT.

To ensure your BMW delivers you with years of uninterrupted driving pleasure, it comes with the most comprehensive roadside care programme in Australia. This service is complimentary for three years, so you can rest assured in the knowledge that assistance is at hand 24 hours a day, 365 days a year.

Should you require assistance, simply dial BMW Roadside Assistance & Accident Management on the exclusive toll-free number: **1800 808 111**.

BMW FINANCIAL SERVICES.

Finance, Lease & Insurance.

BMW Group Financial Services is your one stop shop for all your Finance, Leasing and Insurance needs. Each BMW dealership has a dedicated Business Manager who can put together a tailored finance and insurance package, to make getting into your next BMW even easier.

FINANCE & LEASE.

BMW Group Financial Services offers both loan and lease options to suit your requirements. Whether it is for a company vehicle or a car for your personal use, there are a range of products available to meet your needs.

BMW Financial Services offers competitive rates, flexible terms, and no early termination or ongoing fees.

As a BMW Financial Services Customer you also have access to the My BMW Account service which provides you with all your finance contract information 24 hours a day, 7 days a week. Simply log on at myBMWaccount.com.au

INSURANCE.

BMW Insurance has you covered with an outstanding range of products to protect both your BMW and your BMW finance contract. With BMW Insurance you can not only ensure your BMW stays a BMW, but also enjoy peace of mind while you are on the road and off.

Our range of insurance products includes:

- BMW Motor Vehicle Insurance
- BMW Tyre & Rim Insurance
- BMW Extended Warranty Insurance
- BMW Loan Protection Insurance
- BMW Motor Equity Insurance
- BMW Leaseprotect Insurance
- BMW Purchase Price Insurance

Speak to your Business Manager today about our extensive range of Finance and Insurance products.

BMW DRIVER TRAINING.

If you've ever wondered why a BMW is the Ultimate Driving Machine, a BMW Driver Training course is for you. If you've ever wondered what an Ultimate Driving Machine is capable of, this is the Ultimate test-drive.

Sign up for a BMW Driver Training course and you will learn what these remarkable vehicles can really do. More importantly, you will also acquire essential skills that will enhance your driving ability and safety.

BMW Driver Training was introduced in 1977, the first of its kind initiated by an automotive manufacturer to improve the skills, reactions and awareness of drivers.

Today more than ever, the 3-stage programme offers drivers a positive, exhilarating experience, along with an excellent education and an enthralling opportunity to accelerate their driving abilities behind the wheel of an efficient and dynamic range of Ultimate Driving Machines.

The aim of the programme is to enhance each participant's driving ability by developing attitudes and skills through a structured sequence of courses. Each course takes participants through an increasingly challenging mix of low and high speed driving exercises that help them respond effectively in emergency situations and become progressively more confident, safe and enthusiastic drivers.

Our courses are conducted at Australia's leading facilities, and all BMW Driver Training courses are supervised by highly-trained instructors under the stewardship of Le Mans and Bathurst winner, Geoff Brabham.

BMW Driver Training offers a range of different courses, from Young Driver training to the more advanced and exhilarating M Dynamic performance driving course.

BMW Young Driver Training

An important new initiative developed by BMW Group Australia to instil safe driving habits amongst young drivers.

BMW Advanced Driver Training

The ideal starting point for experienced drivers to develop safer and more confident car control.

BMW Intensive Driver Training

An exciting introduction into performance driving, designed for confident drivers.

BMW M Dynamic Driver Training

After completing our Intensive Training course, drivers can take their skills to another level with this high-performance course designed to test their ability to the fullest.

While BMW Group Australia has endeavoured to ensure that all information, representations, illustrations, specifications and prices contained in these materials are accurate at the time of publication (4 July 2012) and applicable for vehicles manufactured from July 2012, the information is general in nature only. Product features, specifications, models and prices are subject to change without notice. The general information in these materials should always be read in conjunction with other specific materials and information available from BMW Group Australia. * Prices shown are manufacturer's recommended list prices (MRLP) only and exclude dealer charges, stamp duty, statutory charges and on-road charges. There is no obligation to comply with the manufacturer's recommended list prices. Optional equipment prices are based on factory fitment. Prices may be subject to rounding. Luxury Car Tax (LCT) applies where the total sales prices (excluding stamp duty, statutory charges and on-road charges only) is above the LCT threshold. The LCT threshold is \$59,133 for all models except those which are fuel efficient vehicles achieving a fuel consumption not exceeding 7 litres per 100 kilometres (based upon a combined rating under ADR 81/02) which qualify for an LCT threshold of \$75,375.

This specification guide is for business use only and must not be distributed to customers.
