PREMISES TO THE DOCUMENT

NOTE

The information presented in this guide is based on the most updated available information. Automobili Lamborghini SpA reserves the right to apply colors and/or configuration changes without previous advise.

OBJECTIVE

The aim of this document is to present in a very schematic, but complete way, the main specification of the car and above all the information about the customers' possibilities to personalize the car with exterior colors, interior colors and optional features with a quick description.

The document should provide a useful tool in order to insert orders in the Lamborghini Configuration System (LCS); please note that LP 700-4 will start as MY12.

INFORMATION POLICY ON NEW MODELS

The present document won't show any pictures or details of the new car accordingly to the Automobili Lamborghini's policy on the new models launch strategy. Pictures will be released only at the official presentation of the car foreseen in Geneva 2011 (beginning of March).

CONFIDENTIALITY

This document is to be intended and managed as **STRICTLY CONFIDENTIAL** by the dealer's personnel only.
