**You can afford the Volkswagen
you couldn't even afford to think
you could afford.**

Obviously, it's in our interests as well as yours to make our finance packages affordable. So affordable, in fact, you might be tempted to lower your repayment or shorten your agreement period or even go for a higher specification model. For more details, see your nearest retailer or visit www.volkswagen.co.uk. Volkswagen synonymous with affordability? Now there's a thought.

Finance

Indemnities may be required. Subject to status. Available to over 18s. Volkswagen Finance is a trading name of Volkswagen Financial Services (UK) Limited, Freeport VWFS.

This recommended retail price list supersedes all previous recommended retail price lists and is effective from 17.10.2008. All recommended retail prices and specifications are correct at the time of going to press. These prices and specifications may be subject to change without notice.

* For full details of VED (Road Fund Licence) bands and other costs included in the 'On the road' recommended retail price, please see page 9.

Main items of standard specification.

Standard items of equipment S

Volkswagen service

- 3-year/60,000 miles warranty
 - 3-year paintwork warranty
 - 12-year body protection warranty
 - Volkswagen Roadside Assistance
- Please see page 14 for more details

Exterior

- Black front air intake and radiator grille
- Body-coloured bumpers and door handles
- Body-coloured door mirrors with integrated indicators
- Exterior temperature gauge
- Full size wheel trims
- Galvanised body
- Halogen clear headlights, range adjustable
- Heat insulating green tinted glass
- Twin exhaust tailpipe (not 80 PS and 102 PS engines)
- 6J x 15 steel wheels with 195/65 R15 tyres

Interior

- 'Titanium' decorative inserts in dash and door panels
- Upholstery - 'Spell' cloth

Function

- Air conditioning, 'Climatic' semi-automatic control
- Auto hold function (6 speed and 7 speed auto DSG only)
- Automatic door locking, speed related, can be switched off
- Brake pad wear indicator
- Cup holders, front x 2, rear x 1
- Driver's seat height adjustment
- Dust and pollen filter
- Easy entry sliding seats (for access to rear seats - 3 door only)
- Electric windows, front
- Electrically heated and adjustable door mirrors
- Glovebox, illuminated, cooled and lockable
- Grab handles, front x 2, rear x 2 with integrated coat hooks
- Heated rear windscreen
- Height and reach adjustable steering wheel
- Instrument lighting, white adjustable panel illumination
- Interior light delay
- Load lashing points in luggage compartment x 4
- Luggage compartment cover
- Luggage compartment light

Function (continued)

- Multifunction computer (Midline)
- Power-assisted steering, speed-sensitive
- RCD 210 radio/MP3 compatible CD player with 4 speakers, front

If you require any specific feature, you must consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Specifications are subject to change without notice.

Factory-fitted options.

At Volkswagen, we work towards making sure that our cars are as close to perfection as we can make them. However, no matter how good our cars are, we know that they will never be exactly what you want in every detail.

Hence the exceptional range, style and quality of our factory-fitted options. So that if you find any particular part of your Volkswagen needs a little something to make it match your desires precisely, this is precisely where you will find it.

Alloy wheels

Add a touch of style and personality with this great choice of alloys. Alloys add a distinctively sporting look to your car, carefully chosen to enhance the exterior styling of every model, these options give you plenty of opportunity to express your individuality and transform the appearance of your new Golf.

01 'Vancouver' 7½J x 18 alloy wheels.

Comfort and convenience

The importance of comfort and convenience cannot be over-emphasised. Choose from this range of factory-fitted options to create an interior that meets your individual needs, and makes life just that little bit more comfortable and convenient. From 2Zone electronic climate control to a front centre armrest, from a sunroof to a Winter pack, these essential luxuries are designed to help you relax and take the stress out of driving, adding not only a touch of luxury, but also providing invaluable practical assistance.

02 2Zone electronic climate control and RCD 510 touch-screen radio system.

Exterior

The exterior styling of a car is not only an expression of its personality, but makes a powerful statement about your own individuality and taste. These factory-fitted options provide an easy and effective way to create a striking visual appearance with great aesthetic appeal, while enjoying some important practical benefits. From Special paint to front fog lights, choose the options best suited to your needs and enhance not only your new Golf's exterior looks, but your driving experience too.

In-car entertainment

When it comes to in-car entertainment systems and communications packages, those looking to install a technologically advanced or upgraded system are spoilt for choice. Whether you require concert hall acoustics or the latest navigation system, these factory-fitted options provide state-of-the-art technology and connectivity. Choose the system that best meets your needs, then sit back and enjoy the benefits.

03 DVD touch-screen navigation/radio system.

Safety and security

Safety and security have to be a primary consideration, for only when you are feeling totally safe and protected can you completely relax. Whether you are looking to ensure the safety of your passengers, enhance rear safety or make life just that little easier, this range of safety and security features will help you protect passengers and make your new Golf more secure. For example, activate the Park Assist parallel parking system while driving past a parking space with the indicator on, and ultrasonic sensors will detect if the space is suitable and if so, inform you. Select reverse and the assistant automatically takes over the steering, you use the clutch, brake and accelerator to ease into the parking space with an audible warning to notify you of your distance to the vehicle behind.

04 Park Assist.

Steering wheels

A multifunction leather trimmed steering wheel including Highline multifunction computer not only adds a touch of elegance and style, but enables you to control a diverse range of functions with the greatest of ease. Everything is to hand and intuitively where you would expect it to be, allowing you to drive in a totally relaxed manner, while enjoying all the benefits of advanced technology.

05 Multifunction steering wheel.

Upholstery and trims

The interior of your car is all about aesthetics and luxury, leather upholstery enables you to create a sumptuous interior that is tasteful, elegant and attractive, meeting your needs perfectly, and providing the highest levels of comfort and driving pleasure. Sit back, relax and enjoy your surroundings.

() Automatic figures.

A guide on fuel economy and CO₂ emissions which contains data for all new passenger car models is available at any point of sale free of charge. In addition to the fuel efficiency of a car, driving behaviour as well as other non-technical factors play a role in determining a car's fuel consumption and CO₂ emissions. CO₂ is the main greenhouse gas responsible for global warming.

* Fuel consumption figures shown are mpg/ltr per 100 km for the Urban, Extra-urban and Combined fuel cycles in accordance with EU Directive 99/94.

Vehicle Excise Duty (VED).

All vehicles first registered on, or after, 23rd March 2006 are subject to a new form of Vehicle Excise Duty (Road Fund Licence). This new duty is based upon the type of fuel the vehicle uses and its carbon dioxide (CO₂) emissions level, measured in grams per kilometre (g/km). To help you identify the duty you will pay, the DVLA has created seven categories for petrol engines and seven categories for diesel engines.

Increased weight of a vehicle, including higher trim levels and the addition of options will have a detrimental influence on the level of fuel consumption and CO₂ emissions produced.

The CO₂ and fuel consumption figures are obtained from tests on a representative vehicle of the type, conducted and approved in accordance with Council Directive 80/1268/EEC as amended by Directive 1999/100/EC (or later) on the approximation of the laws of the member states relating to the carbon dioxide emissions and the fuel consumption of motor vehicles.

The chart below shows the VED bands and the charges which will be levied:

VED bands

VED band	CO ₂ emissions (g/km)	Petrol VED £	Petrol total 'On the road' costs £	Diesel VED £	Diesel total 'On the road' costs £
A	Up to 100	0.00	560.00	0.00	560.00
B	101 to 120	35.00	595.00	35.00	595.00
C	121 to 150	120.00	680.00	120.00	680.00
D	151 to 165	145.00	705.00	145.00	705.00
E	166 to 185	170.00	730.00	170.00	730.00
F	186 to 225	210.00	770.00	210.00	770.00
G	Over 225	400.00	960.00	400.00	960.00

The total 'On the road' costs above include the applicable VED charge plus the 'On the road' costs as detailed below:

Additional 'On the road' costs

Delivery to retailer £	409.79
Number plates £	20.00
VAT £	75.21
Vehicle first registration fee £	55.00
Total £	560.00

The Volkswagen service, for your peace of mind.

The Volkswagen warranty

Three-year warranty

All Volkswagen passenger cars come with a three-year/60,000 miles warranty, which protects your car against the failure of most mechanical and electrical components due to manufacturing defects. This comprises a two-year manufacturer's warranty with unlimited mileage plus a further one-year/60,000 miles (whichever is soonest) Retailer Warranty. Should the mileage exceed 60,000 miles within the first two years, the manufacturer's two-year warranty will still be valid. If an additional warranty for subsequent years or higher mileage is desired, it may be purchased from an authorised Volkswagen retailer or repairer; however, this additional warranty must be purchased before the mileage reaches 60,000*. Full details of the three-year warranty are available from your authorised Volkswagen retailer or repairer.

* All warranty work must be completed by an authorised Volkswagen retailer or repairer.

Body protection warranty

The internal body sections and panels of the new Golf are covered against rusting through from the inside for 12 years. Naturally, the vehicle must be cared for in compliance with the operating instructions. Please consult your authorised Volkswagen retailer or repairer for full warranty details.

Three-year paintwork warranty

This latest warranty, pioneered by Volkswagen, really provides you with the widest possible cover on a new car.

There are no special conditions attached and paintwork manufacturing defects will be rectified without charge. Naturally, during the warranty period the car must be cared for in compliance with the operating instructions.

Service Intervals

Volkswagen are pleased to offer you a choice on how your new Golf is serviced. The appropriate selection is entirely dependent on how the car is likely to be driven and its general use. To help you identify which type of service would be most suitable, please refer to the following guide.

The Time and Distance Service is recommended for vehicles that will cover less than 10,000 miles in 12 months and if the vehicle is likely to be used in the following way:

- Predominantly urban driving, short journeys with frequent cold starts.
- Activities regularly producing high engine loading, e.g. frequent hill climbs, driving with vehicle fully loaded and towing.
- Uneconomical driving style using high rpms with heavy acceleration and heavy braking.

The service intervals for the Time and Distance Service are as follows:

- Oil change service Every 10,000 miles/1 year (whichever is soonest).
- Interval service Every 20,000 miles/2 years (whichever is soonest).
- Inspection service Every 40,000 miles/3 years (whichever is soonest).

The LongLife Service is recommended for vehicles with a daily mileage of more than 25 miles where the vehicle is driven regularly mainly on longer distance journeys. The vehicle is driven mainly at a constant speed with minimum vehicle and engine loading, minimal towing and driven in an economical manner.

With the LongLife Service the vehicle can cover anywhere between 10,000† and a maximum of 18,000† miles or 24 months (whichever is soonest) between oil changes. Inspection service is typically in the third year of ownership and thereafter every second year, for vehicles with an approximate annual mileage of 10,000 miles.

† Please note that mileages are approximate as the service indicator system uses kilometres as the distance measurement. Please consult your authorised Volkswagen retailer or repairer for advice and full details.

Volkswagen Finance‡

Volkswagen Finance specialises in providing funding solutions for Volkswagen drivers. Whether your Volkswagen is for private or business use, you can choose from a range of funding options.

- Solutions – a personal contract plan
- Hire purchase
- Lease purchase
- Finance lease
- Contract hire

With all Volkswagen Finance products you can choose a fixed-cost maintenance plan to help you budget for your servicing and maintenance costs.

No matter what finance product you choose, your local Volkswagen retailer will be able to provide you with a personalised quote that could meet your budget and vehicle needs.

‡ Volkswagen Finance is a trading name of Volkswagen Financial Services (UK) Limited. An offer of finance depends on certain conditions. Available to people over 18 in the UK only.

Extended warranty

You may purchase additional protection from your authorised Volkswagen retailer or repairer, or contact 0870 9000 115.

Volkswagen Insurance±

Competitive and comprehensive motor insurance designed especially for Volkswagen drivers. All new and Approved Used Volkswagens come with complimentary seven-day cover upon request – we'll e-mail a cover note straight to your retailer, enabling them to tax your car easily. This way, you can drive straight out of the showroom. Taking out annual cover is easy and it can start when the seven-day cover expires. For more information contact your local Volkswagen retailer or call 0800 051 3136.

± Volkswagen Insurance is underwritten and administered by Zurich Insurance Company. Volkswagen Insurance is a trading name of Volkswagen Insurance Service (Great Britain) Limited which is an appointed representative of Volkswagen Financial Services (UK) Limited. Zurich Insurance Company and Volkswagen Financial Services (UK) Limited are both authorised and regulated by the Financial Services Authority.

Volkswagen Roadside Assistance

Every new car is registered for Volkswagen Roadside Assistance for one year except the Touareg and Phaeton which are registered for three years. This provides vehicle roadside and home recovery in the unlikely event of a breakdown in the UK and Europe (subject to conditions). Volkswagen Roadside Assistance can also be purchased for subsequent years. For full details, please contact your authorised Volkswagen retailer.

Prices and specifications

The prices and specifications contained in this brochure are for information purposes only as our products are continually updated and changes may be made to the prices and specifications at any time. If you require any specific feature, you must consult your authorised Volkswagen retailer who is regularly updated with any change in specification. Prices and specifications are subject to change without notice.

Following the announcement of a price increase, any vehicle order which can be accepted into the factory production system before the effective date of the price increase will be supplied at the current price, even if built and delivered after the date on which the increase became effective.

Note: We would like to advise you that telephone calls to Volkswagen Customer Care may be monitored and recorded as part of our training and quality assurance processes. All our monitoring and recording processes meet Ofcom regulations.
