SAFETY AND SECURITY			
S = Standard O = Optional Extra A = Volkswagen Genuine Accessory (Dealer fitted) – Not Available			
Airbags			
Driver and front passenger airbags	S	S	S
Driver and front passenger side airbags	S	S	S
Curtain airbags, front and rear	S	S	S
Anti-theft			
Electronic engine immobiliser	S	S	S
Alarm system with interior monitoring and tilt sensor	O	O	O
Security coded audio system	S	S	S
Visible Vehicle Identification Number (VIN)	S	S	S
Body			
Door side impact protection	S	S	S
Fully galvanised with 12 year anti-corrosion perforation warranty	S	S	S
Rigid safety cell with front and rear crumple zones	S	S	S
3 door hatch body style	S	–	–
5 door hatch body style	–	S	S
Brakes			
Anti-lock Braking System (ABS)	S	S	S
Brake Assist	S	S	S
Electronic Brake-pressure Distribution (EBD)	S	S	S
Hill Start Assist (HSA)	S	S	S
Child restraint			
Child seat anchor points mounted on rear seat (3)	S	S	S
Entry/warning reflector in front and rear doors	S	S	S
Fog lamp, rear	S	S	S
Head restraints			
Front safety optimised head restraints, height adjustable	S	S	S
Rear adjustable and removable (3)	S	S	S
Locking			
Remote central locking with deadlock mechanism (separate release for luggage compartment)	S	S	S
2 stage unlocking (programmable)	S	S	S
Automatic locking after takeoff (programmable)	S	S	S
One touch lock / unlock for driver	S	S	S
Child safety locks on rear doors	–	S	S
Fuel filler flap lock/unlock by remote, push to open	S	S	S
Luggage cover, removable	S	S	S
Seat belts			
Front height adjustable with pre-tensioners and belt force limiters	S	S	S
Visual and acoustic warning for driver and front seat passenger seat	S	S	S
3 point seat belts for all passengers	S	S	S
Traction Control			
Electronic Differential Lock (EDL)	S	S	S
Anti-Slip Regulation (ASR)	S	S	S
Electronic Stabilisation Program (ESP)	S	S	S

VOLKSWAGEN POLO Specifications / May 2010

GLOSSARY

Anti-lock Braking System (ABS)

When braking, wheel speed sensors measure the road wheel speed and should one or more wheels start to lock the ABS system reduces brake pressure to that wheel. This prevents the wheels from locking during heavy or emergency braking, enabling the vehicle to remain steerable.

Anti-Slip Regulation (ASR)

ASR is a switchable traction control system that prevents the driven wheels from spinning under acceleration by reducing engine torque. It is active at speeds above 40km/h.

Brake Assist

During emergency braking, Brake Assist aids the driver by increasing the brake pressure automatically to a level exceeding the locking limit. The ABS is thus quickly brought into the operating range, which enables maximum vehicle deceleration to be achieved.

Electronic Brake-pressure Distribution (EBD)

Electronic, more sophisticated means of regulating the ratio of front/rear brake pressure. Settings are varied according to driving and load conditions to ensure each wheel is braked to the optimum extent.

Electronic Differential Lock (EDL)

EDL improves driving and steering characteristics when accelerating on road surfaces where each wheel has a different degree of traction. The system operates automatically and is combined with the ABS system. Using the ABS wheel sensors, EDL monitors the speed of the individual driving wheels. When a difference in driving wheel speed is detected (i.e. when one wheel starts to spin due to differences in road surfaces, e.g. due to water or dirt) the system brakes the spinning wheel, transferring engine power to the wheel with the best traction. EDL is active in forward and reverse and operates up to 40km/h.

Electronic Stabilisation Program (ESP)

ABS, EDL and ASR traction control systems are integrated into the Electronic Stabilisation Program (ESP). In short, ESP helps ensure that the vehicle goes where you steer it even in extreme driving conditions. The ESP system constantly compares the actual movement of the vehicle with pre-determined values and should a situation arise where the vehicle starts to skid, ESP will apply the brakes to individual wheels and automatically adjust the engine's power output to correct the problem. ESP prevents the vehicle from losing control when trying to avoid an accident, for example. It also prevents spinning off on a curve due to either understeer or oversteer.

Hill Start Assist (HSA)

Hill Start Assist (HSA) holds the vehicle when the foot brake is released by temporarily locking the brake pressure (for a maximum of 1.5 seconds) to provide comfortable starting-off without rolling back. Hill Start Assist (HSA) operates on inclines greater than 5% and is fitted in combination with manual transmissions and the Direct Shift Gearbox (DSG).

VOLKSWAGEN POLO Specifications / May 2010

GLOSSARY (CONT'D)

Volkswagen New Vehicle Warranty

Every new Volkswagen passenger vehicle is covered by a 3-year/100,000km (whichever occurs first) manufacturer's warranty, which includes Volkswagen Assist (24hr roadside assistance). Every new Volkswagen passenger vehicle is also covered by a 3-year paintwork and 12-year anti-corrosion perforation warranty.

Volkswagen Assist – 24 hour roadside assistance

As a valued customer, you can be assured that wherever you travel within Australia, you will have access to roadside assistance, 24 hours a day, 365 days a year. This is complimentary for the duration of the vehicle's original Volkswagen warranty period. You will receive help in the event of a breakdown or accident and if required, your vehicle will be mobilised or transported to an Authorised Volkswagen Repair Centre.

As a Volkswagen owner you will also have access to the additional benefits of accommodation and car rental if your vehicle cannot be mobilised within 24 hours, when you are over 100kms away from home. Volkswagen Roadside Assist can also be renewed at the expiry of the original warranty, ensuring ongoing coverage for your vehicle.

Volkswagen is distributed by Volkswagen Group Australia Pty Ltd, The Lakes Business Park, 6 Lord Street, Botany, NSW 2019. ABN 14 093 117 876. Specifications are as planned at April 2010, for Model Year 2010 and are subject to change without notice or obligation. All Volkswagen approved parts and accessories are warranted for 2 years/unlimited kilometres. All information in this specification sheet is correct at the time of publication, however variations may occur from time to time and Volkswagen, in so far as it is permitted by law to do so, shall not be liable in any way as a result of any reliance by any person on anything contained in this specification sheet. Authorised Volkswagen dealers will provide up-to-date information on model application, design feature, prices and availability on request.
